Peace is just a warm gun away,  
It's deeper than where there's a will there's a way.

I won't grit my teeth and bare it  
If my violence came in the form of a crown of thorns I'd  
wear it.

I am so afraid, my feet are on the ground  
And I still haven't found a reason to pretend.

So sweep me under the rug, so no one's with me when I  
lose my head.

I feel hopeless when I just wish I could feel a little less.  
I feel hopeless when I just wish I... wish I...
