The record goes from blue to gold
So thank you for all your help
I know you want to jump around
But try to contain yourself
You always struck me as the type to take it lightly
But now you're gonna have to shut your mouth and
fight me

Backstabber

You're all alone you're all over
The popular magazines will never care what do you
care
You're down with the Japanese
But you've got no right to sit there saying I abuse it
When you only sleep with girls who say they like your
music

Backstabber(x4)

Backstabber! hope grabber!
Greedy little fit haver!
God I feel for you fool
Shit lover! off-brusher!
Jaded bitter joy crusher!
Failure has made you so cruel

Rotten to the core

Rotten to the core

Rotten like a crack whore
Begging out the back door
Show us what you're good for
Post it on the noise board
Come on join the bloodsport
Show us some support
Still working at the drugstore
Is it because you're
A FUCKING

Backstabber! hope grabber!

Greedy little fit haver!
God I feel for you fool
Shit lover! off-brusher!
Jaded bitter joy crusher!
Failure has made you so cruel

So don't tell me what to write
And don't tell me that I'm wrong
And don't tell me not to reference my songs within my
songs

BACKSTABBER(x2)

You backstabber! hope grabber! greedy fucking fit
haver!

BACKSTABBER!
