There's no end to the love you can give  
When you change your point of view to underfoot  
Very good  
You may be flat but you're breathing

And there's no doubt he's at home in his room  
Probably watching porn of you from the fall  
It's last call

And you're the last one leaving  
And you thought you could change the world  
By opening your legs  
Well it isn't very hard  
Try kicking them instead  
And you thought you could change his mind  
By changing your perfume to the kind his mother wore  
O god delilah why?  
I never met a more impossible girl....

In this same bar where you slammed down your hand  
And said "Amanda, i'm in love"  
No you're not  
You're just a sucker for the ones who use you  
And it doesn't matter what i say or do  
The stupid bastard's gonna have his way with you...

You're an unrescuable schizo  
Or else you're on the rag  
If you take him back  
I'm gonna lose my nerve  
I never met a more impossible girl....  
I never met a more impossible girl....

At four o'clock he got off  
And you called up  
"i'm down at denny's on route one  
And you won't guess what he's done"  
Is that a fact delilah?  
Larry tap let you in through the back  
And use his calling card again  
For a quick hand of gin

You are impossible, delilah: the princess of denial  
And after 7 years in advertising you are none the wiser

You're an unrescuable schizo  
Or else you're on the rag  
Cause if you take him back  
I'm gonna lose my nerve  
He's gonna beat you like a pillow  
You schizos never learn  
And if you take him home  
You'll get what you deserve

So don't cry delilah  
You're still alive delilah  
You need a ride delilah?  
Let's see how fast this thing can go.....
