There is this thing that's like touching except you don't touch

Back in the day, it just went without saying at all
All the world's history gradually dying of shock
There is thing that's like talking except you don't talk
You sing
You sing

Sing for the bartender sing for the janitor sing
Sing for the cameras sing for the animals sing
Sing for the children shooting the children sing
Sing for the teachers who told you that you couldn't sing
Just sing

There is thing keeping everyone's lungs and lips locked
It is called fear and it's seeing a great renaissance
After the show you can not sing wherever you want
But for now lets just pretend that we're all gonna get bombed
So sing

Sing cause it's obvious sing for the astronauts sing
Sing for the president sing for the terrorists sing
Sing for the soccer team sing for the janjaweed sing
Sing for the kid with the phone who refuses to sing
Just sing

(Ahh)
Life is no cabaret
(Ahh)
We don't care what you say
(Ahh)
We're inviting you anyway
[(Ahh)
You motherfuckers you'll sing someday...]
(repeat 2x)
