I am an anarchist  
An antichrist  
An asterix  
I am an anorak  
An acolyte  
An accidental  
I am eleven feet  
Ok, eight...  
Six foot three...  
I fought the British and I won  
I have a rocket ship  
A jetfighter  
A paper airplane  
Ja ja ja ja ja

Say what you will... I am The Kill  
The only thing that keeps you really truly safe from  
being real

I have a tendency  
To exaggerate  
Just a little bit  
I am a plagiarist  
Apologist  
A walruscokeheadlizard  
I am an optimist  
A closeted misogynist  
I fought the British and I won  
I have a wishing well a living will a magical eight ball  
Ja ja ja ja ja

Say what you will - I am The Kill  
The only thing that keeps you really truly safe from  
being real

Put pat sajak back in office  
Put pat sajak back in office!!!

But the sun still sets on you  
And the retarded party nobody came to but you  
And so you drink to all the emptiness until you wake up  
And there's hell to pay again

And the punch lines point at you  
And all the comebacks in the world are in your head  
And you can't say them until everybody leaves  
And it's just you and your imaginary friends...
