After all this time
Girl you know by now I can read your mind
Why would you keep something from me?
Your best kept secrets are the ones I want to know
I really want to know

Don't tell me that you're fine
When you know what you mean to me
Don't tell me that you're fine
When I'm not there and it's plain to see

Well, I know that means you love me
And you're missing me tonight
So it hurts to hear you whisper, I'm fine

Girl I know that sigh
Your gentle breath that hides a simple lie
If I could only see your eyes
Holding back the tears you gonna cry
So baby please don't cry

And don't tell me that you're fine
When you know what you mean to me
Don't tell me that you're fine
When I'm not there and it's plain to see

Well, I know that means you love me
And you're missing me tonight
So it hurts to hear you whisper, I'm fine

Don't lie to me
Don't lie to me
Don't tell me that you're fine

When you know what you mean to me
Don't tell me that you're fine
When I'm not there and it's plain to see

Well, I know that means you love me
And you're missing me tonight
So it hurts to hear you whisper, I'm fine

Whoa, I'm fine
Ooh, yeah
You can't lie to me
Don't even try
Don't even try
I know you too well
