Oh, oh we oh
When boy meets girl
Oh, oh we oh
When boy meets girl

When I saw this pretty young thing
She was hanging with the girls she was sippin a slurpee
Brown eyes that caught me off guard
So I walked up to her friend

Said "I would like to meet,
Take her out to eat, and sweep her off her feet
Can you arrange it please?"
She said, "when you wanna meet her meet her?"

When boy meets girl
You can stay up til the morning never gets boring
When boy meets girl
You can spend all night kissing loving each minute
When boy meets girl
Something inside of you just changes
When boy meets girl, When boy meets girl

Hanging out at one of her friend's cribs
Watching the sun come up, there's no sleeping
Holding hands on top of the roof
She says "Witchu I think I've found a good thing"
We're having lots of fun, she takes a piece of gum
And puts it on her tounge, said "Can you kiss me
please?"
And I said "I'm really glad I metcha, metcha"

When boy meets girl
You can stay up til the morning never gets boring
When boy meets girl
You can spend all night kissing loving each minute
When boy meets girl
Something inside of you just changes
When boy meets girl, When boy meets girl

Oh, oh, oh, oh, oh, oh, oh
You can stay up, You can stay up

When boy meets girl
Oh, oh, oh, oh, oh, oh, oh
You can stay up, you can stay up til the morning

You can talk all night and be yourself
Don't have to hide those feelings that you felt
Checking your inbox when you get home
You send a goodnight text on the phone

When boy meets girl
You can stay up til the morning never gets boring
When boy meets girl
You can spend all night kissing loving each minute
When boy meets girl
Something inside of you just changes
When boy meets girl, When boy meets girl

Oh, oh we oh
When boy meets girl
Oh, oh we oh
When boy meets girl
