Nothing ever happens in the town  
It's the same old thing when we go out  
A new place to hang with the same crowd  
I lucked up when you came and sat down  
Now I'm here with you and I'm admiring the view  
I hope you never ever never ever cut me loose  
And I don't know what to do because...

I'm falling into something real  
And I can't stop me  
I'm knocking over everything  
And you just caught me  
From start to finish I promise I'm in this  
Just wanna let you know know yo  
I'm falling like a Domino

I'm falling, falling, falling just like a Domino  
I'm falling, falling, falling just like a Domino  
From start to finish I promise I'm in this  
Just wanna let you know know yo  
I'm falling like a Domino

Always said true love never happens  
A little push caused this chain reaction  
I never thought you'd be my distraction  
I admit boy you got me crashin'  
Now I'm here with you and I'm admiring the view  
I hope you never ever never ever cut me loose  
And I don't know what to do because...

I'm falling into something real  
And I can't stop me  
I'm knocking over everything  
And you just caught me  
From start to finish I promise I'm in this  
Just wanna let you know know yo

I'm falling like a Domino  
I'm falling, falling, falling just like a Domino  
I'm falling, falling, falling just like a Domino  
From start to finish I promise I'm in this  
Just wanna let you know know yo

I'm falling like a Domino

When it all comes down you gonna have my back  
But when the last one falls baby we got that  
You saying hoo, hoo what hoo hoo keep saying hoo hoo  
Everybody  
When it all comes down you gonna have my back  
But when the last one falls baby we got that  
You saying hoo, hoo what hoo hoo keep saying hoo hoo  
Everybody

I'm falling into something real  
And I can't stop me  
I'm knocking over everything  
And you just caught me  
From start to finish I promise I'm in this  
Just wanna let you know know yo  
I'm falling like a domino

I'm falling into something real  
And I can't stop me  
I'm knocking over everything  
And you just caught me  
From start to finish I promise I'm in this  
Just wanna let you know know yo  
I'm falling like a domino

Fallin, fallin, fallin like a domino  
(just like a domino)  
Said I'm falling just like a domino  
From start to finish I promise I'm in this  
Just wanna let you know yo  
I'm falling like a domino  
I'm falling like a domino  
Yo yo  
I'm falling like a domino
