Guess it's party time, it's gonna be all night
Done up looking came right, so right, so, so, so, so
Woho, yeah, tonight's gonna be wild, woho
Everybody on the floor, down, down, down
Get your swag on, get your swag on
Get, get your swag on
Get your swag on, get your swag on
Get, get your swag on
Get your swag on, get your swag on
Get, get your swag on
Listen to the song and get your swag on
Hey, we gonn run this whole damn town
And the crazy's coming out
No tomorrow just right now, now, now, now
Tell the dj that you're on your way
And we're gonna party, on this party
Bring up the best, cause we came to party
Show him what you got, got, got
And get your swag on
Get your swag on, get your swag on
Get, get your swag on
Get your swag on, get your swag on
Get, get your swag on
Get your swag on, get your swag on
Get, get your swag on
Listen to the song bitch, and get your swag on
Hey, put on the sets, like you wanna fez
Hey, like you get paid
Baby we gonn do this, right inside the set
People let youâ€¦ bad, bad, bad, boy

This shit is contagious
Hey, don't need to tell me I look fresh
I only rock the very best
I came to shake away the stress
I'm fresh, don't guess, yes
Tell the dj, tell the dj turn it louder
Cause we came to party, in this party
Crank up the best, sweat be dripping like a shower
Show him what you got, got, got
And get your swag on

Get your swag on, get your swag on
Get, get your swag on
Get your swag on, get your swag on
Get, get your swag on
Get your swag on, get your swag on
Get, get your swag on
Listen to the song bitch, and get your swag on
Woho, â€¦tonight, listen to the song bitch and get your
swag on

Hey, put on the sets, like you wanna fez
Hey, like you get paid
Baby we gonn do this, right inside the set
People let youâ€™ bad, bad, bad, boy
And get your swag on
Get your swag on, get your swag on
Get, get your swag on
Get your swag on, get your swag on
Get, get your swag on
Get your swag on, get your swag on
Get, get your swag on
Listen to the song bitch, and get your swag on x 2
