(I love them girls like you!)
There's a girl on the floor, she's looking over at me
And I know, uh, uh, I know
I'm about to go animal
Ain't no inhibitions here to go

I'm about to blow!

You see the good life, because I live it
And I can do it right, cause I'm committed
And if there is a bull's eye, I, I'mma hit it
Are you the next bitch?
I love sex with

Hook:

Girls like you, should just do it with boys like me
Don't wanna waste, on the sex scene
So what the hell is you thinking?
Will you be there, in bed with guys like me?
We wanna do it with girls like you
And I can tell that you want it too
So what a hell is you dreaming?
Open your mind, is all about girls like you!
Like you, g-g-girls like you!

Take a sip, have a taste
What happens to a bottle when you shake?
It's gonna spray!
Bring a friend if you want, the more the merrier
Just make 'em come, hit and run!

This is the good life, you know we live it
Hit 'em bottles up high, you know you're with it!
Just give it to me all night, I'm so addicted!
Are you the next bitch I love the sex with?

Hook:

Girls like you, should just do it with boys like me
Don't wanna waste, on the sex scene
So what the hell is you thinking?
Will you be there, in bed with guys like me?

We wanna do it with girls like you
And I can tell that you want it too
So what a hell is you dreaming?
Open your mind, is all about girls like you!
Like you, g-g-girls like you!

I really really want you!
Ain't nothing wrong with what I wanna do!
The problem with me is so you
I see myself with girls like you!

Hook:
Girls like you, should just do it with boys like me
Don't wanna waste, on the sex scene
So what the hell is you thinking?
Will you be there, in bed with guys like me?
We wanna do it with girls like you
And I can tell that you want it too
So what a hell is you dreaming?
Open your mind, is all about girls like you!
Like you, g-g-girls like you!
