Can I get 2 shots of you heart on the rocks
Heart on the rocks, your heart on the rocks
Can I get 2 shots of you heart on the rocks
Heart on the rocks, your heart on the rocks, rocks, rocks, rocks

Im not here to get drunk, thats not what Im feeling, Im feeling you
Stop planning the shots cause thats not what Im drinking
Tonight Im drinking you
Dont need no alcohol, to get me nice
Just give me some of what, you got on ice
Girl you know what I mean
So give it to me, me, me, me, to me

[Chorus]
I want your heart on the rocks, on the rocks, on the rocks yeah
Want what you got, bottled up, on the rocks, on the rocks yeah
Ill knock you back girl, Ill keep it g
Ill make sure that it wont go to waste
Pour me your heart on the rocks, on the rocks, on the rocks yeah

Hung over from lust, I hate when you tease me, you tease me, uhu
I want all so give me the real thing, oh girl the real things you
Dont need no alcohol, to get me nice
Just give me some of what, you got on ice
Girl you know what I mean
So give it to me, me, me, me, to me

[Chorus]
I want your heart on the rocks, on the rocks, on the rocks yeah
Want what you got, bottled up, on the rocks, on the rocks yeah
Ill knock you back girl, Ill keep it g

Ill make sure that it wont go to waste
Pour me your heart on the rocks, on the rocks, on the
rocks yeah

Can I get 2 shots of you heart on the rocks
Heart on the rocks, your heart on the rocks
Can I get 2 shots of you heart on the rocks
Heart on the rocks, your heart on the rocks, rocks,
rocks, rocks
Can I get 2 shots of you heart on the rocks
Heart on the rocks, your heart on the rocks
Can I get 2 shots of you heart on the rocks
Heart on the rocks, your heart on the rocks, rocks,
