### "what would you do?"

Visit "[what would you do?](#)" on MotoLyrics.com

hey, I need to talk to you for a second (eh,eh)  
I just been hearing some stuff (eh,eh)  
Damn  
would you sit down for a sec  
I gotta get this over my chest  
I heard some crazy-ish  
How could you put me to this?  
It's getting ugly right now,  
so how im finding out  
Don't know what else to do  
Girl, you should'a tell the truth

Hold on for a sec  
What you say?  
I don't think i heard you quite right  
How could this happen?  
Girl, I thought I was your biggest fan  
I can't believe that it's been goin' on forever  
How could you leave me in the cold?

Now what would you do? (do)  
If this was happening to you (you)  
If you were standing in my shoes?  
(shoes, Shoes, shoes, Shoes, eh eh)  
Would you walk out and leave me?  
Or would you look me in my face (face, face)  
If I was treating you this way?  
(If I was treating you this way)  
So tell me baby would you stay?  
(stay, stay, stay)  
I couldn't hurt you like this

Oooohh  
Now what you do? ( do, do, do, do)  
Now what you do?  
If I hurt you...
