Featuring: Belinda

Follow me into my world
Let your worries fade with every step you take
Baby, whatcha waiting for?
Let the tango take control

Feel the music inside your soul, whoa
My hand is out
Just grab a hold

(Watch the time just fade away)
Watch time fade away
(My arms will keep you safe)
My arms will keep you safe

(It's just you and me)
Girl, it's just you and me
(Dancing in this dream)
Dancing in this dream

Whatever you do don't wake me up
I know the feeling's real
I won't let it stop, no

Don't be afraid, take my hand
Forget the world
Will you dance, dance with me?
Pudemos bailar eternamente

Trust in me, take a chance
Feel the tango
When you dance, dance with me
Pudemos bailar eternamente

Now I have you next to me
Everything is how it should be, oh yeah
Baby, don't fight the feeling

We're floating on the clouds
If I could I'd never come back down, no, no

Baby, just keep on groovin', groovin'

(As time fades away)
As time fades away
(My arms will keep you safe)
My arms will keep you safe

(It's just you and me)
Girl, It's just you and me
(Dancing in this dream)
Dancing in this dream

Whatever you do don't wake me up
I know the feeling's real
I won't let it stop, no

Don't be afraid, take my hand
Forget the world
Will you dance, dance with me?
Pudemos bailar eternamente

Trust in me, take a chance
Feel the tango
When you dance, dance with me
Pudemos bailar eternamente

Dance with me
(I'm dancing with you)
For this moment in time
(My dreams have come true)
My darling, just dance with me
If only one night

Don't be afraid, take my hand
Forget the world
Will you dance, dance with me?
Pudemos bailar eternamente

Trust in me, take a chance
Feel the tango
When you dance, dance with me
Pudemos bailar eternamente
