[Drew Seeley]

So we back in the club with the bodies rockin' from side
to side

Thank God the week is done, I feel like a zombie gone
back to life

Hands up, yeah suddenly we all got our hands up, no
control of my body

Ain't I seen you before?

I think I remember those eyes, eyes, eyes, eyes

'Cause baby tonight, the DJ got us fallin' in love again
Yeah, baby tonight, the DJ got us fallin' in love again
So dance, dance like it's the last, last night of your life,
life

Gon' get you right

'Cause baby tonight, the DJ got us fallin' in love again

Keep downing drinks like there's no tomorrow
There's just right now, now, now, now, now, now
Gon' set the roof on fire
Gonna burn this uh down, down, down, down, down,
down, down

Hands up, when the music drops, we both put our
hands up

[Chelsea Kane]

Put your hands on my body

Swear I seen you before

I think I remember those eyes, eyes, eyes, eyes

[Drew Seeley]

'Cause baby tonight, the DJ got us fallin' in love again
Yeah, baby tonight, the DJ got us fallin' in love again
So dance, dance like it's the last, last night of your life,
life

Gon' get you right

'Cause baby tonight, the DJ got us fallin' in love again

[Both]

'Cause baby tonight, the DJ got us fallin' in love again
oh, baby tonight, the DJ got us fallin' in love, fallin' in
love
So dance, dance like it's the last, last night of your life,
life

'Cause baby tonight, the DJ got us fallin' in love again
Yeah, baby tonight, the DJ got us fallin' in love again
