Take You There

Let me tell you now baby girl  
That it's not everyday  
Something so pleasing to my eyes  
Coming 'round my way  
And I just wanna talk to you  
Find out what you like  
And I don't wanna play cool  
Wanna play with you tonight

Baby what you wanna do  
I just wanna groove with you  
Baby what you want me to say  
You wanna groove with me too  
Do wanna be for real  
Baby I don't play no games  
Baby where you wanna go  
Just let me know

[CHORUS 1]

I can take you there  
I know just what you like  
I know how to do you right  
We can get down all night  
So let me take you there  
I can tell you what you need  
I know what you want to be  
Baby follow my lead  
And let me take you there

I can see that you're feeling me  
But you're gonna make this hard  
But you're not like every girl  
And you caught me off my guard  
Got me digging you  
Feeling you  
Wanting you baby  
You make me high  
And all I need is one hit of you  
Lady I'll touch the sky

Baby what you wanna do  
I just wanna groove with you  
Baby what you want me to say  
You wanna groove with me too  
Do wanna be for real  
Baby I don't play no games  
Baby where you wanna go  
Just let me know

[CHORUS 1]

[CHORUS 2]  
I know just what you like  
I know how to do you right  
We can get down all night  
So let me take you there  
I can tell you what you need  
I know what you want to be  
Baby follow my lead  
And let me take you there

Girl you've got my side and attention now  
This night is for you  
If you want some love and affection  
Tell me what you want from Drew

I want you, want you girl  
I want you, want you girl  
I know you want me girl  
So let me take you there  
Do you know I want you girl  
Know I want you girl  
You know I want you girl  
So let me take you there

Let me take you there  
I know just what you like  
I know how to do you right  
We can get down all night  
So let me take you there  
I can tell you what you need  
I know what you want to be  
Baby follow my lead  
And let me take you there

[CHORUS 2]
