You look so pale, like you've seen a ghost... or a...
Vampire?

The very first time you look at a vampire, it's terribly
terrifying,
Taboo and so exciting, what to do?
The very first time your lips touch a vampire's, you
wonder about the biting,
The taste of fruit inviting, will he hurt you?

Except for just one moment, we live the way we live,
This blood and lack of choices, we take, and then we
give!

CHORUS:

Love's in vein, do you think it's strange?
Go for the throats, go for the throats.
Feeding time, get outta your mind.
And go for the throats, go for the throats, yeah.

Your very first time alone with a vampire,
You party from dusk to dawn.
One prick and then you're gone, gone, gone.

Except for just one moment, we live, the way we live,
This blood and lack of choices, we take, and then we
give!

CHORUS:

Love's in vein, do you think it's strange?
Go for the throats, go for the throats.
Feeding time, get outta your mind.
And go for the throats, go for the throats, yeah.
Love's in vein, do you think it's strange?
Go for the throats, go for the throats,
Love lock time, get outta your mind.
And go for the throats, go for the throats, yeah. Go for
the throats.
Yeah, yeah, yeah, yeah, yeah, yeah.
Go for the throats.

(Uh, uh)

Look at the signs, open your eyes, you're startin' to
live, doin' just fine,
Love is a bust, blood is a must.
No need to worry 'cuz you're one of us! (one of us)

Love's in vein, do you think it's strange? (Love's in vein)
Go for the throats, go for the throats.
Feeding time, get outta your mind.
And go for the throats, go for the throats, yeah.
Love's in vein, do you think it's strange?
Go for the throats, go for the throats.
Love lock time, get outta your mind.
And go for the throats, go for the throats, yeah.
Go for the throats!
