(Featuring Selena Gomez)

Ooooo
Oh Oh
Oh Yeah

Ever Try To Reach For Something
But it's Someone Else's Dream
Every Step That You Take Forward
It Takes You Right Back Where You Been
And Then When You Least Expect It
And You Tried About Everything
Somebody Hears Your Opinion
Somebody Cares What You See
You Woke Me Up
No Longer Tired
With You I Feel Inspired
You Help Me Find My Fire

You're The New Classic
You're The New PYT
That Stands For paid Young
Taking On The World From The Driver's Seat
You Look So Classic
Fantastic
When You Own That Floor
Bring The Beat Back Once More
Let Me See You Do That

Oh Tryin'a To Do It Right
Ain't no Rehearsal
It's Your Life
And Your Doing This Crazy Dance
Cause Your Making These Crazy Plans

[Selena]: Trust This Is Not a Test
You Put In Work To Be The Best (ohhh)
(Ohhh) It's A Classic Take
On A Brand New Game
Before The Needle Drops
They're Gonna Know Your Name
When It Gets Old Don't Lose The Light

You're Cold I'll Warm You Up
(You Up) Your Fire Is Hot Enough (enough) Enough
(enough)

You're The New Classic
[Selena]:You're The New PYT
That Stands For Paid Young And
Trying Everything Just To Touch Your Dreams
You Look So Classic Fantastic
When You Own That Floor
Bring The Beat Back Once More (bring it back) (once
more)
Let Me See You Do That

It's Become So Hard
For Me To Be Surprised
But You're Bringing Back The Real Me
No Judgment In Your Eyes
Cause When I Dance With You
It's How I Speak The Truth
Just Classic When we Met
And How You Made Me Move

You're The New Classic
You're The New PYT
Cause You're Paid Young And
Taking On The World From The Drivers Seat
You Look So Classic
Fantastic
When You Own That Floor

once more)
