(slow it down) (slow it down)

VERSE

ooh i can see myself leanin' less with you
i gotta control it but this ain't how i do
i know i'm savin' all my humps for you and love the way
you wait patiently

BRIDGE

kiss me on my lips on the bed, how did we end up
here?
it's time for me to leave without you, it's just what we
do, but is it enough for you?

CHORUS

do you like it when i come around?
do you like the way i break it down?
do you like when we play around?
i like the way you put it down,
but you know we gotta slow it down
i know you like it when i come around,
do you like it when i break it down?
do you like it when we fool around,
baby won't you calm me down,
but you know we gotta slow it down

VERSE

ooh, boy show me yours bet you i will show you mine,
i know i shouldn't tease you everytime,
but your love is like a drug, it kicks me high,
and if it was i'd do it twice

BRIDGE

grab me by my hips, hold a plate like it just got here,
oh, our love just got here,
you know i want you i ain't rushin' you

CHORUS

do you like it when i come around?
do you like the way i break it down?
do you like it when we play around?
i like the way you put it down,
but you know we gotta slow it down,
i know you like it when i come around
do you like the way i break it down?
do you like it when we fool around,
baby won't you calm me down,
but you know we gotta slow it down

VERSE

slow up baby,
thought you had me slower,
but oh no, pump the breaks and let go,
got me goin' crazy,
got my body shakin',
but oh i think i like it,
oh i think i like it,
what you betta slow up?
it's not a hold up,
boy keep your clothes up,
that's how i roll, what,
got me losin' control,
got a game control,
i'm no ordinary chick,
kinda benefits when ya....
slow down, slow down

BRIDGE

do you like it when i come around?
do you like the way i break it down?
do you like it when we break it down?
i like the way you put it down,
but you know we gotta slow it down
i know you like it when i come around,
do you like the way i break it down?
do you like it when we fool around?
baby won't you calm me down,
'cause you know we gotta slow it down
