My love drives full speed over potholes and
speedbumps
My love won't slow down 'til your heart goes thump,
Thump, thump, thump, thump

Like premium gasoline
Purified to run your engine clean
Got enough to get you anywhere
You want to be in love, let me take you there

I want to feel the highway rumblin' under my wheels
Gonna push the pistons all the way just to feel the way
It feels

Like premium gasoline
Purified to run your engine clean
Got enough to get you anywhere
You want to be in love, let me take you there

Come along and watch me burn
Come along and watch me burn
Come along and watch me burn
Come along and watch me burn

Like premium gasoline
Purified to run your engine clean
Got enough to get you anywhere
You want to be in love
Like premium gasoline
Purified to run your engine clean
Got enough to get you anywhere
You want to be in love, let me take you there
Let me take you there
