I've heard it all before and  
You can't make me no more  
I must refuse your hug and  
Little wish for one night love  
Don't mean to hold you up  
I got a coach ticket and one way dream  
Just thought you'd like to know  
I'm in love with little Joe

Chorus

Hey I'm gonna let it all hang out  
I wish for little things  
And to make you cum I had to bleed  
Hey I'm gonna let it all hang out  
Sure'd like to wish you well  
But I pray to God you go to hell

Verse II

No time sure'd like to stay  
Gotta make it, make it the American way  
Not what I thought you'd be  
Then again I fucked the king  
And all the chicks you know  
They just line right up to blow, blow, blow  
There's just one thing that you should know

Chorus
