I can't wait another day
I think I might go insane
Guess it's one of those girl things
If you ask me I won't lie
If you don't I'd rather die
I just wanna be your only

Uhh, ohh, the days are just melting away
Uhh, ohh, I wait to hear you say

(Scream)
I like you
Ooh, yeah
(Scream)
I like you
Take me away

Maybe I come on to strong
Then again I'm always wrong
I'm so tired of taking the long way
And I know I'm not all there
And I'm inclined to lose my mind
I just wanna be your teddy bear

Uhh, ohh, the days are melting away
Uhh, ohh, I wait to hear you say
