"You Suck"

Visit "[You Suck](#)" on MotoLyrics.com

I can't eat, can't sleep, can't breathe
If you know what I mean
If there's one good thing that's left in me
Well thanks be to God for shitty things

It's not easy to see clearly
Always do or die when you are near me
Might still think you're what I need
But I'm so sick, I'd rather leave

You're everything I thought you'd be
Yeah, ooh, ooh
You suck the life out of me, yeah
You suck life

Don't care if you're there
It's no fair what you turned out to be
If there's one good thing that's left in me
Well thanks be to God for shitty things

I've gone crazy since you banged me
Mother said she told me you'd betray me
Might just think you're what I need
But I'm so sick I'd rather leave

So lonely here
So lonely here
So lonely here
