Tell you what it takes to be strong, make no mistake  
about what I say,

Gaining strength for the words, put you on your ass  
now again,

Energy, is our game, intensity from our name,

you line 'em up we'll tear 'em down, tell the circle's  
coming 'round!

TELL YOU WHAT I, DO-I-DO, EVERYTHING I, SAY-I-SAY,  
TELL YOU WHAT I, DO-I-DO, FOLLOW THE SEVEN,

ONE EIGHT...

TELL YOU WHAT I, DO-I-DO, EVERYTHING I, SAY-I-SAY,  
TELL YOU WHAT I, DO-I-DO, 187 WAY!

We bring the noise down to you, the words within they  
drive through, the meaning of them is all

you need to hear, to stand tall,

Just believe once in you, there's nothing that you can't  
do, now its time to realize, flush all

the shit from your life!
