Take another shoot - dog rock!!!  
Take another shoot - dog rock!!!  
Take another shoot - dog rock!!!  
Take another shoot !!!  
Take another shoot - dog rock!!!  
Take another shoot - dog rock!!!  
Take another shoot - dog rock!!!  
So you ask me to dance  
Draw me out on the floor  
I will give you the rhythm  
Don't you look to the door  
Sway your hips to the music  
As I draw you in close  
That's the DOG ROCK baby  
Take another big dose!!!  
Take another shoot - dog rock!!!  
Take another shoot - dog rock!!!  
Take another shoot - dog rock!!!  
Take another shoot !!!  
So you ask me to dance  
Draw me out on the floor  
I will set the rhythm  
You can show me the step

Softly you sway your hips  
As I grab you by the ass  
That's the DOG ROCK baby  
Take another big dose!!!  
Take another shoot - dog rock!!!  
Take another shoot - dog rock!!!  
Take another shoot - dog rock!!!  
Take another shoot !!!  
Take another shoot - dog rock!!!  
Take another shoot - dog rock!!!  
Take another shoot - dog rock!!!  
You will feel so much pain  
You will see so much puke  
Plug your ears if you want  
You won't hear the bad news  
Piss your pants on the floor  
Feel the hard times no more

That's the DOG ROCK baby  
Take another big dose!!!
