Hats off gentlemen and I suggest to listen
don't anybody dare fart, flies don't dare buzzz
kicking back in my pig pen I fire up my CD
and repeats, hats off, men, unless you're tone deaf
Hats off to this lady (x2)
I open up the first bottle shouthing ateention, shut up,
listen,
don't anybody make a sound and even yawn

kicking back in my pig pen I fire up my CD
and repeats, hats off, men, unless you're tone deaf
Hats off to this lady (x2)
Hats off gentlemen and I suggest to listen
don't anybody dare fart, flies don't dare buzzz
kicking back in my pig pen I fire up my CD
and repeats, hats off, men, unless you're tone deaf
