I like black and white
Dream in black in white
You like black and white
Run runaway

CHORUS:
See chameleon
Lying there in the sun
All things to everyone
Run runaway

If you're in the swing
Mud in everything
If you're in the swing
Run runaway

CHORUS

If you got it soft

Don't beat around the bush
If you got it soft
Run runaway

CHORUS

Oh now can't she wait?
No no come on and wait
Oh now can't she wait?
Run runaway

CHORUS

I like black and white
Dream in black in white
You like black and white
Run runaway

CHORUS
