Give me, a good reason  
Why I should rip my heart out for you  
Tell me, when your secrets  
All come crashing down upon you

See the life I take  
Won't be yours for keeping  
I decide my fate  
I won't need any longer

See the life I take  
Won't be yours for keeping  
I decide my fate, my fate

Hiding, in the shadows  
Is the promise of something better  
Lead us, into reason  
Live for ending is all in all in fact

See the life I take  
Won't be yours for keeping  
I decide my fate  
I won't need any longer

See the life I take  
Won't be yours for keeping  
I decide my fate, my fate

And maybe down it's just another failing  
And maybe down it's just another failing

See the life I take  
Won't be yours for keeping  
I decide my fate  
I won't need any longer

See the life I take  
Won't be yours for keeping  
I decide my fate, my fate

See the life I take

Won't be yours for keeping  
I decide my fate  
I won't need any longer

See the life I take  
Won't be yours for keeping  
I decide my fate, my fate
