Someone told me  
You'll never sing to let your song be sung  
Sideways  
Always  
They never told you to take it this far

Just let me know  
Where to go  
I give up all my will to live  
This time I hold so trivial  
Because its all the same to me  
Just let me know  
Where to go  
You take my hand and follow me  
To the ledge  
Just push me off  
Just push me off

Gladly  
Slowly  
To another place besides this hole  
No one told you  
To fall down a second time

I pretend I'm waiting (x3)

Just let me know  
Where to go  
I give up all my will to live  
This time I hold so trivial  
Because its all the same to me  
Just let me know  
Where to go  
You take my hand and follow me  
To the ledge  
Just push me off  
Just push me off  
Just push me off

These shadows follow me  
They seem to gather around

Just let me know  
Where to go  
I give up all my will to live  
This time I hold so trivial  
Because its all the same to me  
Just let me know  
Where to go  
You take my hand and follow me  
To the ledge  
Just push me off  
Just push me off  
Just push me off
