Why "dju" have to go away? ("dju" = did you)
Why did I ever run from you?
I should've never started this
Started ever lovin' you
I am not perfect
But I am not so bad
Gave you everything I ever had
Guess you can throw it all away
'Cause it's worthless now... ain't it bad! ain't it bad bad!
Ain't it baby
Ain't it baby...

Come on, come out
And I will love you
All I ever needed now
Nothin's gonna stop me now
Nothin's gonna stop it

And I will love you
All I ever needed now
Nothin's gonna stop me now
Nothin's gonna stop it

If you cry
Your tears will flow
And I will swear to you
I don't get in my feelings down
Nothin's gonna stop us now
Nothin's gonna stop us

Come on, come on, come out

And I will carry you
Until I hit the ground

Nothin's gonna stop me now
Nothin's gonna stop it

Ahhhh...! (Howling)

And I'll give it all away
For a chance to get back to you
Are you just one of those people who...
One of those people who...
