I do accept
Beyond the softer mind
to softly infiltrate your world

Chorus:
There's a journey that we'll take,
that explains where we've been wrong
It was written in the Scriptures of your soul
One more journey left to take
All the war is never lost
..a journey to the soul!

So please..

So close the door,

Chorus:

No looking back, there's no distance...now
You search the..

Chorus:
There's a journey that we'll take,
that explains where we've been wrong
It was written in the Scriptures of your soul
One more journey left to take

All the war is never lost
..a journey to the soul!
