There are many ... won't before
Lost on their way, there won't be no return
Still they'll be searching for whole
To find their way out of the dark

I used to wander, with your eyes
Look up to the skies
Still fantasizing, can the ...earth and beyond
Still the mountains must we climb
Until you reach that shining

[Chorus]

Stargazer, others still ...tears to find
There's a world over, where you choose to be
Far away where your fantasies lie
Stargazer, what will the ...become of men
There's a world over, where you choose to be
Far away where your fantasies lie

I've been living for now, to try in somehow
Erasing the ..that it's rather be burnt
Hiding inside your mind, letting your wounds rather
heal

I used to wander, with your eyes
Look up to the skies
Still fantasizing, can the ...earth and beyond
Still the mountains must we climb
Until you reach that shining

[Chorus]

Stargazer, others still ...tears to find
There's a world over, where you choose to be
Far away where your fantasies lie
Stargazer, what will the ...become of men
There's a world over, where you choose to be
Far away where your fantasies lie
fantasies lie, fantasies lie, fantasies lie

Still the mountains must we climb
Until you reach that shining

[Chorus]
