I got a shingle and I'll guard it with my life  
I'm just keepin' off the flies  
Yeah, I drank from the tap  
Should-a left it in the pipes

This is my cause and my excuse  
I'll take the loss but I'll get what I got due

Yeah, I ain't burnt  
Golden brown  
Yeah, I ain't burnt  
Just golden brown
