Sad to say it's over now, here come the huns
Pick a side, or pick a spot

Here come, here come the rome plows

Why waste
Your time
Here come the huns
Be my date tonight

Here come, here come the rome plows

Cal state
No fun
Stay put
Here comes
To clean the slate
To pass the time
To erase
Yank crime

Yeah we're on
The recieving end
I never been
Dear heart, dear friend
I never been on
The recieving end
Not a scratch, not a dent
I never been on
The recieving end, i never been
