Church blew up in Birmingham
Four little black girls killed for no goddamn good
reason
All this hate and violence can't come to no good end
A stain on the good name.
A whole lot of good people dragged threw the blood
and glass
Blood stains on their good names and all of us take the
blame

Meanwhile in North Alabama, Wilson Pickett comes to
town
To record that sweet soul music, to get that Muscle
Shoals sound

Meanwhile in North Alabama, Aretha Franklin comes to
town
To record that sweet soul music, to get that Muscle
Shoals sound

And out in California, a rock star from Canada writes a
couple of great songs about the
Bad shit that went down
"Southern Man" and "Alabama" certainly told some
truth
But there were a lot of good folks down here and Neil
Young wasn't around

Meanwhile in North Alabama, Lynyrd Skynyrd came to
town
To record with Jimmy Johnson at Muscle Shoals Sound
And they met some real good people, not racist pieces
of shit
And they wrote a song about it and that song became a
hit

Ronnie and Neil Ronnie and Neil
Rock stars today ain't half as real
Speaking there minds on how they feel
Let them guitars blast for Ronnie and Neil

Now Ronnie and Neil became good friends their feud
was just in song
Skynyrd was a bunch of Neil Young fans and Neil he
loved that song
So He wrote "Powderfinger" for Skynyrd to record
But Ronnie ended up singing "Sweet Home Alabama"
to the lord

And Neil helped carry Ronnie in his casket to the
ground
And to my way of thinking, us southern men need both
of them around

Ronnie and Neil Ronnie and Neil Rock stars today ain't
half as real
Speaking their minds on how they feel
Let them guitars blast for Ronnie and Neil
