Throw another log on the fire, boys, George Wallace is
coming to stay
When he met St. Peter at the pearly gates, I'd like to
think that a black man stood in the way.
I know "All should be forgiven", but he did what he
done so well
So throw another log on the fire boys,
George Wallace is a coming

Now, he said he was the best friend a black man from
Alabama ever had,
And I have to admit, compared to Fob James, George
Wallace don't seem that bad
And if it's true that he wasn't a racist and he just did all
them things for the votes
I guess Hell's just the place for "kiss ass politicians"
who pander to assholes.

So throw another log on the fire, boys, George Wallace
is coming to stay
I know, in the end, he got the black people's votes, but I
bet they'd still vote him this way.
And Hell's just a little bit hotter 'cause He played his
hand so well
He had what it took to take it so far

Now the Devil's got a Wallace sticker on the back of his
car

[Now the Mule-ettes walk out in devil horns and tails,
raise their hands in the air and sing:]
"OH ----- ALABAMA"
