Bulldozers and dirt, bulldozers and dirt  
What's your mama got hidden up her shirt?  
I like to play and I like to work  
But most of all I like bulldozers and dirt

I met your mama when I was nineteen  
You couldn't have been anymore than three  
She caught me stealing y'all's color TV  
She called the cops and they arrested me

She was the wildest thing I'd ever seen  
The way she pointed that shotgun at me  
The police hauled my ass off to jail  
Your mama signed the trailer to help make the bail

She picked me up and drove me home  
Said, "I'll learn you not to roam"  
Green green grass under my feet  
But all I can think about's the dirt underneath

Bulldozers and dirt, bulldozers and dirt  
Behind the trailer, my dessert  
Them red clay piles are Heaven on earth  
I get my rocks off, bulldozers and dirt

I got a pickup that's up on blocks  
And I'm up to my ass in debt and hock  
And I can't get the red stains off of my socks  
And I can't get you off of my mind

I've lived with your mama for eleven years  
Through good times and bad times, fist fights and  
tears  
But something comes over me when you come near  
So won't you come over and sip on this beer

Bulldozers and dirt, bulldozers and dirt  
Behind the trailer, my dessert  
I don't mean no harm, I just like to flirt  
But most of all I like bulldozers and dirt

Bulldozers and dirt, bulldozers and dirt

Behind the trailer, my dessert  
I don't mean no harm, I just like to flirt  
But most of all I like bulldozers and dirt

But most of all I like bulldozers and dirt  
But most of all I like bulldozers and dirt
