Flowers flying 'cross the room  
Vases smashed against the floor  
Said, "I'd rather be alone  
Take your chocolates and go home"

Be my valentine  
Be my valentine  
Be my valentine

They say time makes things easier  
But only time will tell  
You said we'd go the distance  
But I guess it's just as well

You're blossoming all over  
While I wither on the line  
I just called to tell you that  
"I hope you're doing fine"

Be my valentine  
Be my valentine  
Be my valentine
