One more night, one more show
Four down, eighty-four to go
This ain't no time for moving slow

Greenville to Baton Rouge
I'll call you up when I get through
The life I live is the life I choose
Greenville to Baton Rouge

Shows have sure been great this year
All eight cylinders all twelve gears
Call you up when I touch down
At the airport in a Louisiana town

Street survivors, feeling no pain
A little more rock, a little less cocaine
And don't forget about Stevie Gaines

Greenville to Baton Rouge
I'll call you up when I get through
If it's the last thing that I do
Greenville to Baton Rouge

Last night, you should have seen this plane
The right engine shot a twelve foot flame
South Carolina made us glad we came
We're up in the air again

Once we hit Louisiana, baby, I don't care
Got a brand new airplane waiting for us there
Give this piece of shit back to Aerosmith
Wake me up when we get there

The right engine gave a little flash
Pilot panicked and dumped the gas
Everything is quiet, we're dropping fast
When we touch down gonna whoop' his ass!

Greenville to Baton Rouge
Can't die now got a show to do
The life I live is the life I choose
Greenville to Baton Rouge
