Visit "[Road Cases](#)" on MotoLyrics.com

Got them pretty road cases
Protect our asses, protect our faces
Protect our guitars, protect our amps

Got them pretty road cases
Throw them out an airplane and they'll just bounce

Paint our name on them road cases
Stencil and white spray paint
Drive-By Truckers on every one
Or maybe just DBT

Get ourselves a big tour bus
Maybe even an airplane
Fly around the world and back
Hope it don't run out of gas

Got them pretty road cases
Got them pretty road cases

Someday, we'll sell them road cases
When we don't need them anymore
To pay off that big cocaine dealer
The only thing they're useful for

One day, we'll sell them road cases
We don't need them anymore
We outlive our usefulness
The only thing them things are useful for

[Incomprehensible]

Got them pretty road cases
