

Drive-by Truckers "Rode Cases"

Visit "[Rode Cases](#)" on MotoLyrics.com

Got them pretty road cases
Protect our asses, protect our faces, protect our
guitars, protect our amps.
Got them pretty road cases throw them out an airplane
and they'll just bounce

Paint our name on them road cases, stencil and white
spray paint
"Drive-by Truckers" on every one or maybe just "DBT"
Gonna get ourselves a big tour bus, maybe even an
airplane
Fly around the world and back.
Hope it don't run out of gas.

Got them pretty road casesÂ...

Someday we'll hock our road cases, when we don't
need them anymore
To pay off that big cocaine dealer (the only thing
they're useful for)
One day we'll sell our road cases, when we don't need
them anymore
When we outlive our usefulness,
The only thing road cases are useful for.

Got them pretty road cases.
