Steve McQueen, Steve McQueen  
When I was a little boy I wanted to grow up to be  
Steve McQueen, Steve McQueen  
The coolest doggone motherscratcher on the silver  
screen

I'd drive real fast everywhere, no one would ever catch  
me  
And I'd kick your ass if you pissed me off so be careful  
what you ask me  
And I'd never have an empty bottle or an empty bed  
And as cool as Paul Newman is I bet Steve could whup  
his head

Steve McQueen  
When I was a little boy I wanted to grow up to be  
Steve McQueen, Steve McQueen  
The coolest doggone motherscratcher on the silver  
screen

Now 'Bullet' was my favorite movie that I'd ever seen  
I totaled my go-cart trying to imitate that chase scene  
That Duster had six hubcaps, know what I mean  
And I love the way they all flew off when it landed in  
that ravine

Steve McQueen, Steve McQueen  
When I was a little boy I wanted to grow up to be  
Steve McQueen, Steve McQueen  
The coolest doggone motherscratcher on the silver  
screen

And I really loved the 'Getaway' back when I was eight  
That pussy Alec Baldwin sucked in the remake  
And speaking of pussy, I guess Steve got it all  
He fucked Faye Dunaway and he fucked Ali McGraw

Steve McQueen, Steve McQueen  
When I was a little boy I wanted to grow up to be  
Steve McQueen, Steve McQueen  
The coolest goddamn mothefucker on the silver screen

I went to see 'The Hunter' on my first date  
'The Hunter' was the last movie Steve McQueen lived to  
make  
They took my drivers license when I was just sixteen  
The year Mesothelioma killed Steve McQueen

Steve McQueen, Steve McQueen  
When I was a little boy I wanted to grow up to be  
Steve McQueen, Steve McQueen  
The coolest goddamn mothefucker on the silver screen

The coolest goddamn mothefucker on the silver screen  
The coolest goddamn mothefucker on the silver screen  
The coolest goddamn mothefucker on the silver screen  
Steve McQueen
