All day up and down the street looking for him
I know they think I'm crazy
But I asked them once again
Where's Eddie? I've been all over town
Hey mister, has he been around?

I've been looking for him everywhere
He don't know that I miss him so
Oh, where did he go?
Where's Eddie? I've been all over town
Hey mister, has he been around?

He don't know I love him
And I've got to run him down
Hey mister, he's got to be found

Where's Eddie?
Won't you tell him I'll be home waitin' and I'm ready?
Give him all the love that I've been saving
Where's Eddie?

So I'd never try to change him, I was wrong
You don't miss your water until he is gone

Where's Eddie? I've been all over town
Hey mister, has he been around?
He don't know I love him
And I've got to run him down
Somebody help me, he's got to be found

Where's Eddie?
Won't you tell him I'll be home waitin' and I'm ready?
Give him all the love that I've been saving
Where's Eddie?

Oh Eddie, I'm ready
Painting all the love, my Eddie
