I struggled 'til the place sunk in
Love letters on the phone wore thin
I covered up with a gypsy's grin
For you

Cold women with an aftertaste
Shotgun weddings at a discount rate
Law claims what the heart won't pay
For you

It isn't a mystery
Look at the history

All I want
Is a love like you
Ahh ahh
All I want Is a fine time so I can get it

All I want
Is a love like you
Ahh ahh
All I want
Is to find time for getting away with it

Keep buying what the TV sells
Call God on your brand new cell
Buy pills 'til you feel unwell
They do
Cold words cause I can't come home
Long distance on a mobile phone
Is this living cause I just don't know

Do you?

All I want
Is a love like you
Ahh ahh
All I want Is a fine time so I can get it

All I want
Is a love like you
Ahh ahh

All I want
Is to find time for getting away with it

This is the the way it's supposed to be
I just want to escape from the world I see

All I want
Is a love like you
Ahh ahh
All I want Is a fine time so I can get it

All I want
Is a love like you
Ahh ahh
All I want
Is to find time for getting away with it

For getting away with it
For getting away with it
For getting away with it
For getting away with it
