This just isn't fair
The understatement of the year
If I had known
Watched you go
Would I have been there
Thought I'll keep when I sleep
So what comes now
When I go down so slowly
So slowly

I know that things they can't go on
I'm sick and tired of being wrong
These times have put me to the test
Light sleeper, won't you get some rest
Light sleeper, won't you get some rest

Time will tell if I am well
Or under the weather
Close my eyes tight tonight

I know that things they can't go on
I'm sick and tired of being wrong
These times have put me to the test
Light sleeper, won't you get some rest
Light sleeper, won't you get some rest

I'm the light sleeper
I'm the light sleeper
Yeah, yeah, yeah, yeah
I'm the light sleeper

I know that things they can't go on
I'm sick and tired of being wrong
These times have put me to the test
Light sleeper, won't you get some rest
Light sleeper, won't you get some rest
