You always left in the end
But won't give up,
You won't give up
On losing this feeling here.

What's left to say after all,
We've torn off our seams
And come back for one more day.
If always in the end.

Of our dreams
We chose our well being
And I'll bet my bottom dollar
That this won't be left alone.

Pause the scene
It's wavering.
Just stay longer
I Know what we can do.

You always left me in the end
But won't give up,
You won't give up
On losing this feeling here.

What's left to say after all,
We've torn off out seams
And come back for one more day.
If always in the end.

Pause the scene
It's wavering.
I've been through worse
But I still breathe.
Pause the scene
It's wavering.
I've been through worse
But I still breathe.

Pause the scene
It's wavering.
I've been through worse

Sign that reads keep pushing on.
Pause the scene
It's wavering.
I've been through worse
Sign that reads keep pushing on.

(Keep holding on) while
I keep pushing on.
(Keep holding on) while
I keep pushing on.
(Keep holding on) while
I keep pushing on.
(Keep holding on) while
I keep pushing on.
(Keep, keep, keep pushing on my day)
(Keep holding on) while
I keep pushing on.
(Keep, keep, keep pushing on my day)
(Keep holding on) while
I keep pushing on
