Part Jesse James, and Jack The Ripper  
The breast feeder and carpet licker  
The devastation the aggravation  
But most of all the fornication  
I'm a ride so strap me in  
It's my pleasure to show you sin.  
I'm a treasure I'm quite a find  
I ride in to town and leave the waste lands behind

A.P.B.s out on me all over the place  
This world has stamped me a social disgrace.

(Chs)  
There Oughta Be A Law Against Me  
They oughta tie me up and lynch me  
Cause I'm taken all my freedoms to extremes  
There oughta be a law against me  
So baby tongue tie me up and whip me  
Cause I'll be the outlaw of your wildest dreams.

A loose cannon a juggernaut  
Turning troubles into Camelot  
I got the key to start your engine  
LUST is sin, and I'm a sinnin'  
I'm a byte from the edge of nightmares  
I do bad things baby, and I don't care.  
I cross the line and I stand tall  
I learned mischief before I learned to crawl

Preachers, Teachers, Leaches trying to stop me where I  
stand.  
They put me in a cage with wicked as my brand.

(Chs)  
There Oughta Be A Law Against Me  
They oughta tie me up and whip me.  
Cause I'm taking all our freedoms to extremes  
There oughta be a law against me,  
So baby tongue tie me up and lick me.  
Cause I'll be the outlaw from your wildest dreams.

(Solo)

Shake your head and walk away, well you disgust me  
too.  
But in your mind you'll envy me and all these things I  
do.
