"Anti-Everything"

I'm sick of the nighttime, I'm sick of the day.
Tired of everything that's coming my way.
The harder I crawl the farther I fall.
Don't know if it's even worth it at all.

(Chs) Call me sick, call me deranged.
I'm just Anti-Everything.
Anymore I'll go insane.
I'm just Anti-Everything

It's hard to see the sun, when your afraid of the light.
I'd travel at night but I'm afraid of the dark.
Don't know where I wanna be, so I don't know where to go.
Always moving forward just going really slow.

(Chs)

Just because it's fixed, don't mean it's not broke.
The bite is small but you still might choke.
I don't like me, I don't like you.
Gets so crazy don't know what to do.

(Chs)
