Hey Mr. Steel  
The Superman of life,  
Don't you know that your misquoting  
Misleading your self uptight.  
And no matter what you say  
A hearts not just an image on a card.

Hey Mr. Iron  
Let the truth be known  
Never feel that your misgiven  
And pride is yours to own.  
And no matter what you think  
That deceptive suit you wear is not that hard.

(Bdg)  
What's this image given, doesn't it feel wrong?  
What's this lie your livin' could it be that strong?

(Chs)  
All you've seen, Bad you breed  
Can't you feel the fire of redemption getting warmer?  
All you've told, feel so cold  
But now we can all see the Cracks In The Armor

Hey Mr. Bronze  
Perfect to the bone  
Don't you know that your misfortunes  
Are self-made on your own.  
And if anyone's to blame  
You'll find him in the mirror on the wall.

Hey Mr. Plastic  
The truth is coming out  
And the burden that you carry  
Is what this truths about  
Cause those who walk on tight ropes  
Lose their luck someday and then they fall

(Bdg) (chs)

Hey Mr. Paper  
Careful you don't burn

And the saddest is the pupil  
Of lessons never learned  
And we tried to tell you "give"  
But in your world was only "take take"

Hey Mr. Glass  
Thought that you'd slip by  
Now the world can see right through you  
As you fall from your sky  
And everybody knows  
When glass falls to the ground it's gonna break!

(Chs 2x)
