A sad bird sings his song for no one.
A lonely child cries out in the night.
A woman screams, "Lord this isn't right."
As the smoke rises into the sky...

A sad cafe where no one sits inside.
A street lights glows alone in the night.
My heart lays bleeding, for all to see.
This world makes no sense to me

(Chs)
Time for me to say goodnight.
(You know your going no where)
A lost soul moving towards the light
(Close your coffin and we'll say your prayers.)
It's hard to says whos wrong or right.
(It's time for me to say goodbye.)
It's time for me to say goodnight.

You'll feel the love blowin' in the wind.
You can feel but you can't see.
You gotta have faith, you must belive.
And trust in something you won't see.
