Fly Me Courageous by Drivin-N-Cryin

I left you groovin'  
I've got you on the loose  
I left you broken  
I've got you on the beat  
But won't you take my place  
Since long ago I wandered

Way out on a cliff  
So fly me courageous  
With the brilliance of an angel  
So fly me courageous  
Her weapons

Mother America is brandishing  
She keeps me safe and warm  
By threats and misconceptions  
You'll have to shake me  
So if you break the chains  
And if you break my heart  
You'll have to take me

Push Me Out Of  
Whoa lady won't you take it easy  
Push Me Out Of  
Whoa won't you take it easy lady

Whoa won't you take it easy lady

Push Me Out Of  
Guitar Solo  
So fly me courageous

From the bottom of the canyon  
I heard your whispers  
The rattlesnakes confusion  
It's not so hard to hide  
Wrap me high in the sky  
Circle me with stallions  
She flew from peak to peak  
With the freedom of an eagle

Fly me courageous  
So fly me courageous  
So fly me courageous
